

**Thermo – KeyTek Products**

## A True No Risk Trade-In Program

### For owners of KeyTek CE Master Test Systems

Thermo Electron Manufacturer of KeyTek Products is pleased to announce what is really a trade-up program for owners of the CE Master Test System. This program is designed to provide CE Master users with an easy upgrade path too an EMCPro+. This new System has the latest and greatest technology, is compliant with all new IEC Standards (EFT and PQF), testing to higher levels of Surge (6.6kV) and EFT (4.4kV), and meets all requirements of IEC 61000-4-2, -4, -5, -8, -9, -11 along with Ring Wave and Telecom Testing !!!.

#### **The Trade-In Program:**

You keep your CE Master for 60 days to maintain a continuous record of test results **and** you get a new EMCPro+, the most flexible, versatile mid range EMC Immunity tester out on the Market today.

- *Additional capabilities within EMCPro+ include Compliance Testing to 6 IEC/EN standards. Addresses ANSI/IEEE, ITU, ETSI, & UL Standards. Surge Testing to 6.6kV with combination telecom & ring waves. Monitors surge voltage & current at the output terminals. Monitors output of the coupling unit & automatically switches connections according to coupling mode. Highest test levels, widest selection of tests & lowest in-use costs. Upgradeable as standards change. Meets new IEC 61000-4-4 (EFT) and IEC 61000-4-11 (Dips and Interrupts)*

**Trade-in Program discount from list price  
toward the purchase of EMCPro+**

**CEMaster Trade-In  
20% Discount off of List Price of EMCPro+**

**The EMCPro+ is your path to the future of EMC Immunity Testing.**

**Offer is valid until May 31<sup>st</sup>, 2005.** To take advantage of this great offer please contact R. A. Mayes Company, Inc. a Thermo - KeyTek EMC sales representative or Thermo Electron – KeyTek products directly at 978-935-9388 or Randy Wertz via email [randy.wertz@thermo.com](mailto:randy.wertz@thermo.com)

**Don't let this cost savings opportunity pass you buy !!!!!!!!!!!**
