READY BUNKER PRICE LIST

NOTE: All bunkers are made from reinforced ocean-going steel shipping containers and covered with Rhino Hide coating. All are wired for standard 110 volt power and lights, with TruProtect on all four walls and ceiling. Options differ so please choose what you wish to add from the Additional Options list below. All walls, ceiling and ends are covered with 7/16" unfinished OSB. Floor is covered with 1/4" steel and indoor/outdoor carpet. Portable HVAC is standard (if not desired, subtract \$ 750).
