Ramsey Electronics
Forensics RF Test Enclosures

LIST \$495.00

STE2200F2

Features	Connectors	Isolation	Dimensions/Weight
<ul style="list-style-type: none">•Great for device collection and transportation•1/2" GEN-2 high efficiency RF foam liner•GEN-2 high efficiency RF gaskets•Exclusive double lip RF seal•Easy release latch with steady hold hinge•Tamper proof forensics hardware	<ul style="list-style-type: none">•None provided standard.•Suggest STEUSB2071 for full speed USB2.0 data and 5VDC charging requirements	<ul style="list-style-type: none">•>120dB @ 918MHz•>110dB @ 2.4GHz•>100dB @ 5.8GHz	<ul style="list-style-type: none">•Exterior: 4.5"H x 7.2"W x 9.8"D•Interior: 3.2"H x 6.0"W x 8.5"D•Weight: 7lbs. / 3.18kg.

LIST \$1,695.00

STE3000F2

NOTE: STE3000F2 IS STANDARD WITH 6 OUTLET 120 VOLT (USA) POWER STRIP – CONTACT RAMSEY FOR PRICING AND AVAILABILITY FOR 230 VOLT POWER STRIPS FOR OTHER COUNTRIES

Features	Connectors	Isolation	Dimensions/Weight
<ul style="list-style-type: none"> •Designed for lab and bench visual forensics interrogations •Patented design •RF tight hands-on access to your device •RF tight illuminated viewing of your device •1/2" GEN-2 high efficiency RF foam liner •GEN-2 high efficiency RF gaskets •Exclusive double lip RF seal •Universal removable I/O panel 	<ul style="list-style-type: none"> •RF isolated 6-outlet 110VAC power strip •RF isolated 6-pole feed-through terminal block •RF isolated USB2.0 high speed interface •Additional options available 	<ul style="list-style-type: none"> •>90dB @ 918MHz •>85dB @ 2.4GHz •>80dB @ 5.8GHz 	<ul style="list-style-type: none"> •Exterior: 12.8"H x 18.0"W x 12.0"D •Interior: 8.0"H x 17.0"W x 10.5"D •Weight: 25lbs. / 11.34kg.

LIST \$2,795.00

STE3000FAV2

NOTE: STE3000FAV2 IS STANDARD WITH 6 OUTLET 120 VOLT (USA) POWER STRIP – CONTACT RAMSEY FOR PRICING AND AVAILABILITY FOR 230 VOLT POWER STRIPS FOR OTHER COUNTRIES

Features	Connectors	Isolation	Dimensions/Weight
<ul style="list-style-type: none">•Designed to record audio/video and time-stamp all forensics interrogations in your lab•Patented design•RF tight hands-on access to your device•RF tight illuminated viewing of your device•Built-in high-res OSD color video camera with audio•Built-in 500GB law enforcement DVR•½” GEN-2 high efficiency RF foam liner•GEN-2 high efficiency RF gaskets•Exclusive double lip RF seal	<ul style="list-style-type: none">•RF isolated 6-outlet 110VAC power strip•2ea RF isolated 4-pole feed-through terminal blocks•RF isolated USB2.0 high speed interface•Additional options available	<ul style="list-style-type: none">•>90dB @ 918MHz•>85dB @ 2.4GHz•>80dB @ 5.8GHz	<ul style="list-style-type: none">•Exterior: 12.8"H x 18.0"W x 12.0"D•Interior: 8.0"H x 16.8"W x 10.5"D•Weight: 27lbs. / 12.25kg.

LIST \$1,195.00

STE3300F2

NOTE: STE3300F2 IS STANDARD WITH 6 OUTLET 120 VOLT (USA) POWER STRIP – CONTACT RAMSEY FOR PRICING AND AVAILABILITY FOR 230 VOLT POWER STRIPS FOR OTHER COUNTRIES

Features	Connectors	Isolation	Dimensions/Weight
<ul style="list-style-type: none">•Large form factor for system testing and interrogations•1/2" GEN-2 high efficiency RF foam liner•GEN-2 high efficiency RF gaskets•Exclusive double lip RF seal•Easy release latch with steady hold hinge•Universal removable I/O panel•Tamper proof forensics hardware	<ul style="list-style-type: none">•RF isolated 6-outlet 110VAC power strip•RF isolated 6-pole feed-through terminal strip•RF isolated USB2.0 high speed interface•Additional options available	<ul style="list-style-type: none">•>110dB @ 918MHz•>100dB @ 2.4GHz•>90dB @ 5.8GHz	<ul style="list-style-type: none">•Exterior: 9.8"H x 18.0"W x 12.0"D•Interior: 8.2"H x 16.8"W x 10.8"D•Weight: 18lbs. / 8.16kg.

STP1100 Security Pouches

LIST \$59.00

Features	Connectors	Isolation	Dimensions/Weight
<ul style="list-style-type: none"> •Quantity Discounts Available 		<ul style="list-style-type: none"> •-100dB @ 1GHz •-90dB @ 3GHz 	<ul style="list-style-type: none"> •Exterior: 5.5"H x 10.5"W x 0.0"D •Interior: 5.5"H x 8.2"W x 0.0"D •Weight: 1lbs. / 0.45kg.
